

Dear Parents,

We hope you will view the Family Service Program as an opportunity to become involved in this ministry. Our goal is for the school to become financially independent but at the same time be sensitive to family budgets. Each family will be charged a \$150.00 Family Service Fee each semester. This amount can be reduced each semester through family service hours worked. For every hour worked, \$10.00 will be deducted from your Family Service Fee for that semester. If you are unable to work your family service hours, you may designate others, such as relatives, church family or friends. Students are encouraged to help fulfill Family Service hours when accompanied by their parent. If you have an excess of family service hours worked, they may be donated to another family in need. If a family leaves prior to the end of a semester, the balance of the family service fee will be pro-rated.

Please complete the reverse side, "Family Service Survey" form, and return it with your student's registration form. This will enable us to inform you of opportunities that best match your interests. The "Record of Family Service Hours Worked" form must be completed and turned into the office whenever Family Service hours are worked.

It is our sincere desire that the volunteers and our student body will be abundantly blessed by this new process.
