Washington DC Trip

The Washington DC trip for 5th grade through 11th grade was a great success! We were able to visit the White House, Capital, Memorials, Ford Theater, Rep. Moolenaar's office, Arlington National Cemetery and Smithsonian Institution. The weather was great lots of sunshine and temperatures in the 80's. The students represented our school very well. We are now making plans for next year's trip. Save up your money for this exciting trip. When things are final, we will let you know where we are going and what the approximate cost will be.
